Hey Alex,

Hope you are having a good relaxing weekend...and staying cool...

I am still working on the timeline...I am going to have power point just to show pics as we go through the timeline...I can't fix the dates column...any idea on your end? Also, have couple questions in red that need help on...I have to run out, but will start back working on it tonite. What time are you coming in tomorrow? I was thinking 8:30, but if I am up late tonite then probably be more like 9 :)
